Students who qualify are STONGLY encouraged to apply to ICHS's Early College Program. Most of InTech's advanced course offerings are available through USU courses.

Required Junior courses include the following:

- Language Arts 11 (1.0)
- Digital Electronics (1.0)
- Computer Technology (Required if not previously completed) (0.5)
- Physical Education (Required if not previously completed) (0.5)
- Fine Arts (Required if not previously completed) (0.5)
- Please circle: US History **OR** AP US History (1.0)
- Science (1.0)
Please circle: Biology **OR** Chemistry **OR**
Physics **OR** Early College Science (Must meet requirements)

The curriculum for Juniors must also include a math course. ***Please select the most appropriate course for you, based on the last math class that you have passed, by circling a bolded course below.***

- Geometry** (for students who have previously passed Algebra 1)
- Algebra 2** (for students who have previously passed Algebra 1 and Geometry)
- Pre-Calculus or Math 1050/Math 1060** (for students who have previously passed Algebra 2, CE dependent on Math Placement Exam)
- AP Calculus or Math 1210 and Math 1220** (for students who have previously passed Pre-Calculus or Math 1050)

Additionally, Juniors may **select 3.0 credits of electives from the course catalog. Please list your top six choices and the amount of credit awarded for that choice.**
