

Supply List

- Three ring binders with dividers
- Notebooks and/or paper
- A unique luggage tag to put on the school assigned laptop bag
- Blue and/or black pens for Science and Engineering
- 3"x5" notecards
- Scientific calculator for Chemistry/Physics and Engineering class
- A graphing calculator is also highly recommended for all upper math classes. Graphing calculators are a good investment for those students continuing on to college. The TI-84 Plus and TI-Nspire are both good choices. School owned calculators are TI-84 Plus and can be rented for the school year for \$10.
- For Secondary Math Classes:**
 - Pencils
 - Straight edge
 - 3-inch binder
 - 3-hole punched graph paper
- For PE Class:** appropriate clothing... tennis shoes, T-shirts, yoga pants, sweats, b-ball shorts are all good, please no short-shorts, tank-tops, or v-necks.

Please Note:

- Send supplies on the first day of school
- Classes may require additional school supplies after school begins
- ICHS can always use tissue donations
